Short Description

VACUUM SUCTION CUP POWERFIX WHITE – A professional-grade tool designed for safely handling large tiles. With a 242 lb (110 kg) capacity, white silicone surface for mark-free handling, and built-in vacuum control, it ensures precision and ease in every tile-laying project.

Description

VACUUM SUCTION CUP POWERFIX WHITE is a premium tool tailored for professionals who demand precision, safety, and efficiency in their tile-setting tasks. This advanced suction cup is ideal for lifting and moving large-format tiles effortlessly, ensuring that every project is executed with care and accuracy.

Key Features:

- **High Load Capacity:** Supports up to 242 lb (110 kg), making it suitable for heavy and large tiles.
- **Mark-Free Handling:** Equipped with a white silicone work surface that protects delicate or high-end tiles from scratches or marks.

- **Quick Release Valve:** Allows for fast and efficient repositioning, saving valuable time during installation.
- **Integrated Manometer:** Displays the vacuum force and ensures optimal suction throughout use.
- **Durable Build:** Crafted for repeated use in demanding environments.

Included in the Kit:

- **Transportation Case:** Ensures secure storage and portability.
- **Repair Kit:** Extends the tool's lifespan with easy maintenance.
- **Protective Pad:** Safeguards the suction cup surface during storage and transit.

Whether you're working on luxury residential projects or high-traffic commercial spaces, the **VACUUM SUCTION CUP POWERFIX WHITE** is the perfect companion for handling tiles with precision and care. Designed for tile setters, it redefines efficiency and safety in tile handling.
