

DUST REMOVAL AIRDUSTER 4 1/2" - 5"

Brand: TM Mechanic

Product Code: AD115AG006

Availability: In Stock

Dimensions: 0.00in x 0.00in x 0.00in

Price: CA\$40.00

Short Description

The **DUST REMOVAL AIRDUSTER 4 1/2" - 5"** ensures clean and efficient cutting with angle grinders. Featuring universal compatibility, active blade cooling, and superior dust removal, it enhances precision, visibility, and tool performance for professional results.

Description

The **DUST REMOVAL AIRDUSTER 4 1/2" - 5"** is an innovative accessory designed to keep your workspace clean and efficient during tile and concrete cutting tasks. Compatible with most angle grinders, this versatile tool enhances safety and precision by reducing dust and improving cutting zone visibility.

Key Features:

1. **Effortless Dust Removal:** Minimizes airborne particles, maintaining a cleaner workspace and reducing health risks.
2. **Universal Compatibility:** Fits most 4 1/2" to 5" angle grinders with a straightforward fastening system.

3. **Active Blade Cooling:** Prevents overheating, ensuring consistent performance and tool longevity.
4. **Enhanced Cutting Precision:** Provides clear visibility of the cutting zone for flawless results.
5. **Boosted Efficiency:** Streamlines tasks, reducing project time while improving productivity.

Built with durable materials and a lightweight design, the AIRDUSTER allows you to focus on accuracy and efficiency without the hassle of excessive dust. Whether for professional tile setters or DIY enthusiasts, it is the ideal addition to any workshop.
